

# REQUEST FOR ACTION (RFA) FORM

**GLAST LAT Project**  
**ISOC Peer Review**  
**March 2, 2004**

Action Item # 11

Presentation Section/Subject Area: Operations Modes Coordination

## **SPECIFIC REQUEST:**

The LAT Operations Team and Spectrum Astro should work together to verify if any interactions between LAT modes and spacecraft modes need to occur. For example, if a LAT mode change requires the spacecraft to change spacecraft mode and/or configuration.

## **REASON/COMMENT:**

**Submitted by:**

Mark Davis

**Organization:**  
Spectrum Astro

**Review Co-Chairperson:**

Mike Rackley
