

REQUEST FOR ACTION (RFA) FORM

GLAST LAT Project
ISOC Peer Review
March 2, 2004

Action Item # 14

Presentation Section/Subject Area: Dubois – Sect 4 Processing Resources

SPECIFIC REQUEST:

LAT should enter a more formal agreement with SLAC management on required data storage and processing requirements. LAT should clearly identify its average and peak needs. SLAC management should commit a base capability.

REASON/COMMENT:

Institutional priorities and/or capabilities could change and impact adversely the ability to maintain the LAT production data processing and distribution.
